Dear Sir,

If your recent speech on  
the German people & the present  
War is being printed in pamphlet  
or published in full in any of the  
papers I would be very glad to  
have a copy of the same. The  
description given in the condensed  
press dispatch of the tenor of your  
remarks causes a very sympathetic  
echo.

Yours very truly  
R S Thornton

Dear Dr. Thornton:

The address that I gave to the students of the University on "The Immediate Causes of the Present War" is to be printed in the alumni "Monthly" of the University of Toronto, the first issue of which will come out the middle of November. I shall be glad to send you a copy when it is published.

Yours sincerely,

President.
